THE BRAND

For more than 30 years the brand "Bozinovski watches and jewelry" represents a leader in Macedonia for brands of watches and it also represents a synonym for success and quality, uniting luxury, style and fine living.

During its existence as a company, "Bozinovski watches and jewelry" not only has succeeded to become a leader in the industry of watches in their country, but it also actively creates new audience for this industry, by numerous activities for education and revealing the secrets of the watchmaking to the people, and by getting the mystery of time closer to the new audience.

For implementation of this, it is very important to grow continually, and to invest in the service for watches that works as a part of the company.

The service constantly works on gaining certificates for servicing luxurious brands of watches, which makes it to be the only licenced service for watches in the region.

As a company, it is our mission to increase the potential market in our country, and by

THE MISSION

doing so, to make space to bring new brands. We do this by organizing numerous events to focus on watchmaking, as well as by implementation of modern and inventive marketing and brand strategies. Our previous experience with this strategy has been very successful.

As a brand, we are official representatives for the top brands such as
**Omega, Damiani, Breitling, TAG Heuer, Longines, Hamilton, Raymond Weil,
Montblanc, Tissot, Ti Sento, Ititoli, Swatch, Flik Flak.**

The company 'Bozinovski watches and jewelry' offers its products and services in its own five own shops, two service centers as well as a network of the franchisers and partners throughout the country.

The main feature of the company from 1996 until now has been the carefulness in the building of its portfolio, as well as the carefulness and unobtrusiveness in the process of addressing its clients.
